

Connecticut Retirement Colony, INC Annual Donation Drive

November 8, 2014

Dear Friends,

In the previous years the Board of the Connecticut Retirement Colony for the Deaf (CRC) expressed its thanks to you for your generous contributions to the CRC. Your continued generosity has helped fund raise for a place in Stafford Springs, CT where deaf and hard of hearing elderly seniors can live in a communication barrier-free independent living situation.

The Board of the CRC is still working on this senior housing project in cooperation with the Town of Stafford Springs, CT. Thus far, we have made some progress in finalization of property purchase and ownership.

We would appreciate it very much if you are continuing support in making annual donation towards the mission in getting an appropriate communication barrier-free senior housing program. It will be an investment in the lives of deaf and hard of hearing elderly citizens. Any gift amount to CRC is tax-exempt by the Internal Revenue Service (IRS). Enclosed please find the donation envelope. Thank you.

Sincerely,

Mary Ann Corson
